October 24, 2017

Dear Welders at Precision Castparts,

Congratulations on joining the International Association of Machinists District Lodge W24. The ability to bargain for safe working conditions and fair pay and benefits is a fundamental right in our society. A strong union contract and respect in the workplace leads to a productive company that everyone can take pride in.

Thank you for the work you do to keep America moving, and best of luck as you bargain your first contract.

All my best,

Jeffrey A. Merkley
