Who's fighting to protect your job, pension, health insurance and social security? Who's protecting your health and safety, your right to organize, your job security? Who's taking on the multi-national corporations' schemes to demean the American Dream, to weaken North America's might? Who's battling Corporate America's 34,000 high-priced lobbyists day in and day out? MNPL is. The Machinists Non-Partisan Political League is IAM's heavyweight champion when it comes to politics and legislation. But these fights are expensive. Sadly, money buys access in the halls of power. And politicians listen more closely when contributors come calling. So, MNPL needs your contribution to wage these fights. Even something as little as \$1 a month from each member would go along way to help protect your job. Please consider contributing to MNPL today!
