Dear Sisters and Brothers:

National President Scardelletti sends out a weekly news update for TCU called Flash News. This important resource reports on issues impacting TCU members, as well as gives up-to-the-minute coverage on what is happening within our union. Please consider signing up for Flash News. [Click here](#) for more information and the opportunity to join the thousands of TCU-IAM members already signed up.

I would also like for those of you not already contributing, to consider signing up for the Machinists Non-Partisan Political League (MNPL), TCU/IAM's legislative arm. Each and every one of us is concerned about our future and our families. We need to get our candidates elected who have our best interests at heart and who understand how important security and equality in the workplace is for our membership. MNPL is our fighting machine that gives us influence on Capitol Hill. If you haven't already done so, consider becoming a part of this vital legislative effort. Yours in solidarity,

Joseph J. Derillo, Sr.
