

We Are the National Pension Plan

113,000 active participants earning future retirement benefits

Working for 1,750 contributing employers nationwide

Looking forward to secure lifetime benefits we can count on

71,000+ retirees and beneficiaries receiving monthly pension benefits

Protected from market risk

Knowing that retirement dreams *can* come true

The IAM National Pension Fund's National Pension Plan is a rock-solid defined benefit pension plan that has been putting its members' financial security first for nearly 50 years. Helping you achieve a secure, comfortable retirement is our most important business.

Come see us at the 37th Grand Lodge Convention in Orlando in September. We can help you visualize your retirement dreams!
