This is the Company's proposal for a labor agreement to succeed the contract between the parties which was effective March 2, 2008. This proposal is in addition to and supplements formal agreements already reached during these negotiations between the parties.

Except as specifically modified by this proposal, and its previously agreed upon by the parties during these negotiations, all terms and conditions of the printed Agreement will remain the same.

In all instances, qualified benefit plan language is the controlling document. Nothing contained herein or expressed by the parties orally or in writing constitutes a waiver/deviation from the plan agreement.
