

# JOB S now!

## Pre-March Event 10.2.10

Union of the Unemployed (UCubed) invites the unemployed, underemployed, IAM members and other jobs activists attending the One Nation Working Together March on Washington to join us at a pre-event on 10.2.10.

**Speakers** from an array of unions and groups advocating for the jobless will participate in this sanctioned pre-event. **JOB S NOW!** signs, t-shirts and solidarity streamers will be distributed at this rallying point for the unemployed and other jobs activists attending the March.

**One Nation Working Together** is a social movement committed to putting Americans back to work and pulling America back together. The focus of the 10.2.10 March is to demand jobs and an economy that works for working people.

**UCubed** is a community service project of the **International Association of Machinists and Aerospace Workers (IAM)** designed to assist the millions of unemployed and underemployed Americans, and to provide them with a structure that allows them to take advantage of their growing numbers.
