WORK EXPERIENCE

2010 to Present Director of Retirees, Community and Membership Services Department

9000 Machinists Place
Upper Marlboro, Maryland 20772

Develop, maintain, and administer programs that address the various needs essential to the four areas of responsibility that the International Association of Machinists and Aerospace Workers determines necessary: Coordinate activities to meet the needs of 350,000 retirees throughout the United States and Canada; Coordinate Community Services committees that attend to assistance programs to communities and membership in times of natural and man-made disasters throughout the International Association of Machinists and Aerospace Workers; Teach, develop materials, and coordinate training for Employee Assistance Programs/Member Assistance Programs that attend to the psycho/social needs of our members and employers; And, assist our members during times of loss of employment due to plant closings, international trade, and economic downturns.

Also, direct all activities to grow the union and better service the membership by coordinating such activities with other departments of the union and the labor movement.

1988 to 2010 Educational Representative

International Association of Machinists & Aerospace Workers
William W. Winpisinger Education and Technology Center at Placid Harbor
24494 Placid Harbor Way
Hollywood, Maryland 20636

Taught, developed materials, and coordinated one-week labor education residence schools. Residence schools included three progressive levels of leadership schools and staff schools of: Arbitration, Collective Bargaining, Advanced Collective Bargaining, Organizing, Pension, Technology, Retirees Education, History, and Train-the-Trainer.

Developed and coordinated the partnerships with college degree programs with the National Labor College and the University of Massachusetts.

1980 to 1988 Assistant Professor (Tenured)

Ohio State University, Labor Education
and Research Service

Programmed, taught, researched, and serviced numerous labor organizations primarily in the State of Ohio. Coordinated and created over 700 educational programs ranging from credit classes to seminars to residence schools. Taught most subject matters in labor education. Researched and published topics in the field of labor education. Serviced labor organizations through consultation and technical assistance, such as researching employers, costing out contracts and brief writing.
