**Re: NMB Case Numbers: A-13569 & A-13570
NCCC & TCU**

Dear Mr. Scardelletti,

The Transportation Communications International Union (Organization) request for a proffer dated November 3, 2010 and the National Carriers' Conference Committee (Carrier) response dated December 8, 2010 have been received.

The case record establishes that a proffer is not appropriate. Accordingly, these cases remain in mediation.

Sincerely,

Lawrence E. Gibbons
Director, Office of Mediation Services, NMB
