Dear Sir and Brother,

I am pleased to announce that the members of the United Supervisors Council, voted to ratify the Agreement presented to them on June 7, 2012. The official ballot count was 211 for and 11 against ratification. This margin in favor of ratification speaks volumes in the confidence our members have in the platform of benefits and wages that you and your team established.

This single Master Agreement brings equality to all Yardmasters employed by Union Pacific Railroad, with respect to work rules, wages and benefits. The efforts of this Agreement have been over 13 years in the making, beginning with a representation election when the Carrier sought to break our Union. Today, we are stronger than ever.

In Solidarity,

Brian O'Reilly
General Chairman
