Subject: **Business, labor unite to end O-Care tax | TheHill**

<http://thehill.com/business-a-lobbying/business-a-lobbying/190482-business-labor-unite-to-end-obamacare-tax>

The AFL CIO should be on board with this bill. It's what the resolution we passed at the convention calls for. I urge you to put your voice on this. This tax is killing our members and will devastate the Taft Hartley plans. In every contract negotiation-taking place the companies are trying to pass these costs on to the employees.
