Subj: 2014 Human Rights Seminar

To All Recording Secretaries of Local Lodges and Secretary-Treasurers of District Lodges in the United States and Canada

Dear Sisters and Brothers:

This letter will serve to announce the dates for this year's Human Rights Training to be held February 23 – February 28, 2014 at the William W. Winpisinger Education and Technology Center in Hollywood, Maryland.

In our continuing commitment to civil and human rights for all IAM members throughout the United States and Canada, I strongly urge all lodges to participate in the aforementioned Human Rights training.

The training provides practical information and guidance on how to establish a viable human rights committee and ensure it operates in a proactive measure. Participants will utilize strategies to combat common civil and human rights violations such as bullying, discrimination and harassment.

The curriculum for this basic class was designed to provide a greater understanding of human rights issues and to promote invaluable discussion among the participants. We believe that the opportunity to exchange ideas, strategize, share experiences and build a communication network is a powerful tool in the hands of a union activist.

Enclosed will be found an enrollment form to register for this class. This form may be duplicated as needed. **It is imperative that ALL information requested be provided, as incomplete forms will not be processed.** Completed forms should be submitted by mail to:
