ALL ARASA AMTRAK
MEMBERS – MOFE AND OBS

Dear Sisters and Brothers:

I am writing regarding Operation RedBlock (ORB), and to dispel any rumors you may have heard that this vital program is being terminated. On the contrary, ORB continues to be very successful. ARASA along with the other shop crafts are currently in the process of negotiating improvements that will only enhance what is already in place. You will be advised once the restructuring is finished. In the meantime, RedBlock continues to be operational and available to those members experiencing alcohol and/or drug problems. Your continued support of ORB is greatly appreciated.

Yours in solidarity,

Joseph J. Derillo, Sr.
ARASA National Representative
