BYLAWS of THE NATIONAL RAILROAD RETIREMENT INVESTMENT TRUST

A Trust Established Pursuant to The Railroad Retirement and Survivors' Improvement Act of 2001

ARTICLE I

Purposes

The National Railroad Retirement Investment Trust (hereinafter, the "Trust") is organized exclusively for the purposes set forth in Section 105 of The Railroad Retirement and Survivors' Improvement Act of 2001 (the "Act"): to manage and invest the assets of the Trust. Section 105(a) of the Act provides for the establishment of a Board of Trustees (the "Board") to operate the Trust and authorizes the Board to make rules to govern its operations, employ professional staff, and contract with outside advisors to provide legal, accounting, investment advisory or other services necessary for the proper administration of the Trust. Subject to the provisions of the Act, applicable laws of the District of Columbia and these Bylaws, the Trust may conduct any or all lawful affairs necessary to manage and invest its assets.

ARTICLE II

Trustees

Section 1. Powers. Subject to the provisions of the Act, applicable laws of the District of Columbia and these Bylaws, the activities and affairs of the Trust shall be conducted and all powers shall be exercised by or under the direction of the Board. The Board may delegate the management of specific activities of the Trust to any person(s) or committees, provided that the activities and affairs of the Trust shall be managed and all powers shall be exercised under the direction of the Board. Without prejudice to the aforementioned general powers, but subject to the same limitations, it is hereby expressly declared that the Board shall have the following powers in addition to the other powers enumerated in these Bylaws:

(a) To select and remove the officers, agents, independent contractors,
 employees and advisors of the Trust (including, but not limited to, legal counsel,
 independent advisers, investment managers, custodial institutions and public accountants,
 as prescribed by the Act), prescribe powers and duties for them and, where appropriate,
 fix their compensation.

(b) To conduct the affairs and activities of the Trust and to make such rules and regulations as the Board may deem appropriate for the proper administration of the Trust.

(c) To borrow money and incur indebtedness for the purposes of the Trust, and to cause to be executed and delivered therefor, in the Trust's name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges or other evidences of debt and securities therefor.

(d) to acquire, by lease or by purchase, interests in real property in furtherance of the purposes of the Trust and to execute and deliver such agreements, indemnifications, undertakings, and other writings as may be required in connection therewith.

Section 2. Number of Trustees, Selection and Term of Office. Seven

(7) Trustees shall be selected, qualified and appointed to staggered terms, in accordance with the provisions of Section 105(a) of the Act. The six (6) Trustees who are selected by rail labor and management shall have the power to select the Independent Trustee. Terms of office shall commence on February 1 of each year.

Section 3. Vacancies. Subject to the provisions of the Act, applicable laws of the District of Columbia and these Bylaws, any Trustee may resign, effective upon giving sixty days' written notice to the Board, or on such shorter notice as may be agreed between the Board and the resigning Trustee. Pursuant to Section 105(a) of the Act, a vacancy in the Board shall not affect the power of the Board and shall be filled in the same manner as the selection of the Trustee whose departure caused the vacancy. Each Trustee so selected shall hold office until the expiration of the term of the replaced Trustee and until a successor has been appointed.

A vacancy or vacancies in the Board shall be deemed to exist in case of the death, resignation, or removal of any Trustee. The Board may declare vacant the office of a Trustee who has been declared of unsound mind by a final order of court, or convicted of a felony, or been found by a final order or judgment of any court to have breached any fiduciary duty arising under the Act or under any other applicable law governing the Trust.

Section 4. Compensation. The six (6) Trustees who are selected by rail labor and management shall have the power to fix the Independent Trustee's compensation for services to the Trust. None of the six (6) Trustees who are selected by rail labor and management shall receive compensation from the Trust; provided, <u>however</u>, that any such Trustee who is not employed by either rail labor or management shall be entitled to receive reasonable compensation to be determined by the other Trustees. All Trustees shall be entitled to receive reimbursement for reasonable costs incurred in connection with their attendance at Board meetings and performance of other services to the Trust.

Section 5. Place of Meetings. Meetings of the Board shall be held at any place, within or without the District of Columbia, which has been designated from time to time by the Board. In the absence of such designation, meetings shall be held at the principal office of the Trust.

Section 6. Public Access to Board Meetings. The Board shall have the authority to determine the extent to which individuals other than Trustees may attend meetings or otherwise participate in the deliberations of the Board; provided, however, that no such individual employed by rail labor or management shall be entitled to receive reimbursement for such activities.

Section 7. Annual Meetings. The Board shall hold an annual meeting for the purpose of organization and the transaction of business. Annual meetings of the Board shall be held without call or notice on March 1 at 10:00 a.m. local time or on such other date as the Board may specify.

Section 8. Regular Meetings. Regular meetings of the Board shall be held at least quarterly without call or notice on such dates as may be fixed by the Board.

Section 9. Special Meetings. Special meetings of the Board for any purpose or purposes may be called at any time by the Chair of the Board or any three Trustees upon at least seven (7) business days' notice to each Trustee or on such shorter notice as all Trustees may agree.

Section 10. Quorum. Pursuant to Section 105(a) of the Act, five (5) Trustees constitute a quorum of the Board for the transaction of business. Investment guidelines must be adopted by a unanimous vote of the entire Board. Unless otherwise specified in the Act or these Bylaws, all other decisions of the Board shall be decided by a majority vote of the quorum present. Subject to the foregoing, every act or decision taken or made by a majority of the Trustees present at a meeting duly held at which a quorum is present shall be regarded as an act of the Board.

Section 11. Participation in Meetings Via Telephone or Video

Conference. Trustees and others entitled to participate in Board meetings may participate in meetings of the Board via telephone or video conference.

Section 12. Adjournment. A majority of the Trustees present, whether or not a quorum is present, may adjourn any Board meeting to another time and place. Trustees who are absent from the adjourned meeting shall be given notice of the time and place at which such meeting will resume.

Section 13. Action Without a Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting if all Trustees consent in writing (including by facsimile) to such action. Such written consent shall have the

same effect as a vote of the Board and shall be filed with the minutes of the proceedings of the Board.

<u>Section 14.</u> <u>Rights of Inspection</u>. Every Trustee shall have the right at any reasonable time to inspect and copy all books, records, and documents of every kind and to inspect the physical properties of the Trust.

Section 15. Committees. The Board may appoint one or more committees, including, but not limited to, (i) an Administrative Committee, (ii) an Audit Committee and (iii) an Investment Committee, each consisting of two or more Trustees. Except as otherwise provided in these Bylaws or in the Act, the Board may delegate to such committees any of the authority of the Board, provided that no such Committee shall have the authority to:

(a) Amend or repeal these Bylaws or any other organizational documents of the Trust or the Board;

- (b) Fill vacancies on the Board or in any committee;
- (c) Appoint other committees of the Board or the members thereof;
- (d) Approve any self-dealing (or "conflict of interest") transaction;
- (e) Adopt an agreement of merger or consolidation; or
- (f) Sell, lease or exchange Trust property and assets.

The Board may appoint, in the same manner, alternate members of any committee who may replace any absent member at any meeting of the committee. The Board shall have the power to prescribe the manner in which proceedings of any such committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Minutes shall be kept of each meeting of each committee, and such minutes shall be included as an appendix to the minutes of the next meeting of the Board

ARTICLE III

Officers

Section 1. Officers. The officers of the Trust shall be a Chair, and such other officers as may be appointed by the Board. The Chair shall preside at all meetings of the Board and exercise and perform such other powers and duties as may be from time to time assigned by the Board.

Section 2. Selection, Removal and Resignation. The officers of the Trust shall be appointed by, and shall serve at the pleasure of, the Board, and shall hold their respective offices until their resignation, removal, or other disqualification from service, or until their respective successors shall be appointed.

Any officer may be removed, either with or without cause, by the Board at any time. Any officer may resign at any time by giving written notice to the Board, and any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein.

Section 3. Vacancies. A vacancy in any office because of death, resignation, removal or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointment to such office. Such vacancies shall be filled as they

occur.

ARTICLE IV

Other Provisions

Section 1. Principal Office. The principal office of the Trust shall be fixed and located at 1250 Eye Street, N.W., Washington, D.C., or such other address as the Board shall determine. The Board is granted full power and authority to change said principal office from one location to another. The Board may make such changes pursuant to this Section 1 without amending the Bylaws, provided that any such changes are documented in a Board resolution duly noted in the minutes of the meetings where such decisions are made.

Section 2. Books and Records. The Trust's books and records, together with all of the documents and papers pertaining to the business of the Trust, shall be kept and maintained at the principal office of the Trust. The fiscal year of the Trust shall end on September 30, unless otherwise provided for by the Board, and the books and records of the Trust shall be kept on a fiscal year basis and shall reflect all the transactions of the Trust and be appropriate and adequate for the Trust's business.

Section 3. Representation of Ownership Interests. The Board or any duly authorized delegate of the Board may vote, represent, and exercise on behalf of the Trust all rights incident to any and all shares of any corporation, or other interest in any entity, held in the name of the Trust. The authority herein granted may be exercised either by any such officer in person or by proxy or power of attorney.

ARTICLE V

Indemnification

The Trust shall indemnify, in the manner and to the fullest extent permitted by law (including, without limitation, the Act), any person (or the estate of any person) who was or is a party to, or is threatened to be made a party to, any threatened, pending or completed action, suit or proceeding, whether or not by or in the right of the Trust, and whether civil, criminal, administrative, investigative or otherwise, by reason of the fact that such person is or was a Trustee or an employee of either a rail carrier or a rail union who performed services for the Trust at the direction of one or more Trustees. To the fullest extent permitted by law, the indemnification provided herein shall include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement; and, in the manner provided by law, any such attorneys' fees and expenses may be paid by the Trust in advance of the final disposition of such action, suit or proceeding upon receipt, in each case, of an undertaking by or on behalf of the Trustee to repay such amounts, together with interest thereon, if it is ultimately determined that such Trustee is not entitled to indemnification with respect thereto.

ARTICLE VI

Amendment, Construction and Definitions

Section 2. Construction and Definitions. Unless the context otherwise requires, the general provisions, rules of construction and definitions contained in the Act and in any applicable laws of the District of Columbia not inconsistent with the Act shall govern the construction of these Bylaws.

APPENDIX B

NARRIT National Railroad Retirement Investment Trust

INVESTMENT GUIDELINES

The National Railroad Retirement Investment Trust (the "Trust") was established, effective February 1, 2002, pursuant to Section 15(j) of the Railroad Retirement Act of 1974 (the "Act"), as amended by Public Law 107-90, the Railroad Retirement and Survivors' Improvement Act of 2001. The Trust's sole purpose is to manage and invest industry-funded Railroad Retirement assets. Domiciled in Washington, D.C., the Trust is a private, tax-exempt entity that is not an agency or instrumentality of the Federal government. Pursuant to the 2001 Act, the Trust is governed by a Board of seven Trustees -- three selected from railroad carriers, three selected from railroad labor unions, and an independent Trustee selected by the other six Trustees.

The Act authorizes the Trust to diversify the investment of the assets of the Railroad Retirement system into asset classes in a manner similar to defined benefit plans of other U.S. industries. Section 15(j)(4) of the Act directs the Board of Trustees to retain (i) independent advisers to assist them in the formulation and adoption of investment guidelines, and (ii) independent investment managers to invest the assets of the Trust in a manner consistent with such investment guidelines. Section 15(j)(5) of the Act sets forth fiduciary standards for the Trustees and directs them to discharge their duties solely in the interest of the Railroad Retirement Board and, through it, the participants and beneficiaries of the programs funded through the Trust. That section also directs the Trustees to diversify the Trust's investments "so as to minimize the risk of large losses and to avoid disproportionate influence over a particular industry or firm, unless under the circumstances it is clearly prudent not to do so." In accordance with these statutory directives, the Trustees have adopted the following Investment Guidelines.

I. Investment Objectives

The Trust's principal investment objectives are: (i) to ensure the timely and certain payment of benefits to eligible railroad retirement plan participants and beneficiaries, and (ii) to achieve a long term rate-of-return on assets sufficient to enhance the financial strength of the railroad retirement system.

II. Investment Guidelines

In 2002, the Trustees retained an independent investment advisory firm to conduct a comprehensive Asset/Liabilities & Asset Allocation study for the purposes of determining the most appropriate mix of assets for the Trust. The study analyzed the projected liabilities of the Trust and long-term expected return, risk, and the return correlation of various asset classes, as well as the expected return and risk of various portfolios of these asset classes. In 2004, the Trust completed work on a second asset allocation study performed by the Trust's investment staff with the use of resources provided by an independent investment consulting advisory firm. In 2006, the Trust investment staff updated the work of the second asset allocation study with the use of various analytical resources provided by independent investment advisory firms. As a result of

this update, the Trustees have adopted a Strategic Policy Benchmark for NRRIT-only assets as set forth below.

ASSET CLASS	POLICY BENCHMARK	NEUTRAL ALLOCATION	TARGET RANGE
US Equity	Russell 3000	40%	35-45%
Non-US Equity	MSCI ACWI Ex-US	28%	23-33%

GLOBAL BONDS	weighted average	30%	25-35%
Cash	3 mo. T-bills	2%	0-5%
TOTAL FUND (NRR)	IT-ONLY)	100%	

A. Strategic Policy Benchmark

B. Expanded Policy Benchmark

In addition to this Strategic Policy Benchmark for NRRIT-only assets, the Trustees have agreed to adopt an Expanded Policy Benchmark to establish micro asset class neutral targets, policy ranges, and proposed weighting for each of the macro asset classes specified in the Strategic Policy Benchmark as set forth in Appendix A.

C. Mandatory Rebalancing

The following guidelines will be applied to maintain the desired asset allocation targets:

- 1. If, at the end of any calendar quarter, the proportion of Trust assets invested in any asset class (as calculated by the custodian bank) exceeds the limits of the target range for such asset class, as prescribed above, a rebalancing from such asset class to one or more other asset classes will be undertaken.
- 2. Rebalancing will be initiated promptly in the first month following receipt of a quarterly notice from the custodian bank that one or more asset classes have reached the target range limits prescribed above. Rebalancing should be completed promptly and in a cost effective manner.
- 3. If a rebalancing is not deemed advisable, written approval of the Trustees will be required to supercede the requirements of paragraph 1 above.

D. Tactical Rebalancing

In addition to the mandatory rebalancing set forth above, the Chief Investment Officer shall have the authority to adjust the amount of assets within the micro asset sub-classes of any macro asset class set forth in the Expanded Policy Benchmark (Appendix A) to

- rebalance whenever any micro asset sub-class range limit is reached at any weekly measurement date;
- reallocate among micro asset sub-classes within an asset class based on market valuations as conditions warrant; or
- meet benefit funding requirements of the Trust.

The amount of assets in each such micro asset sub-class shall remain within the policy ranges established by the Trustees in these Investment Guidelines. The Chief Investment Officer of the Trust shall provide the Trustees with a detailed report of any asset transfer made pursuant to this tactical rebalancing authority no less frequently than monthly and shall certify each month that all positions have been maintained with the Trustee-approved policy ranges of each micro asset sub-class.

E. <u>Restrictions</u>

- 1. No more than 10% of the Trust's assets may be invested by any individual investment manager. This limitation shall not apply to assets invested by a manager retained to invest assets in index accounts.
- 2. Trust assets shall not be invested in securities of publicly traded corporations whose primary business is the operation of North American railroads. A list of these corporations is attached as Appendix B. This limitation does not apply to securities that are purchased as part of a broad market index account, a broad

market exchange traded fund, or any investment in a pooled or commingled fund where the Trust is not the sole investor and therefore is not in a position to control investment selection.

3. All investments shall be made in accordance with the Trust's Conflict of Interest Policy.

III. Selection/Appointment of Investment Managers

Pursuant to the authority granted under Section 15(j)(4) of the Act, the Trustees will retain independent investment managers to invest the assets of the Trust consistent with these Investment Guidelines. A separate agreement between the Trust and each individual investment manager will document the specific responsibilities and compensation arrangements of each investment manager. Each such agreement shall be drafted in accordance with the Trust's Investment Guidelines which may be modified by the Trustee's from time to time. Each investment manager will have full discretion, within the parameters of the agreement, to (i) select securities and properties for investment, (ii) determine the timing and execute transactions and (iii) act in accordance with Trust's Proxy Voting Policy Statement.

IV. Performance Measurement

Appropriate benchmarks have been established with respect to the various asset classes described above. Performance of the Trust will be measured currently and historically, based on compliance with these Investment Guidelines and by reference to the appropriate benchmarks. Time-weighted rates of return will be calculated for the Trust by the custodian bank.

V. Policy Objectives

The Trustees have established the following Policy Objectives for the Trust and its investment staff as ongoing performance goals to evaluate the investment performance of all assets under Trust management over appropriate measurement periods:

- Exceed the Railroad Retirement Board actuarial assumption for asset return;
- Exceed the return of the Trust's Strategic Policy Benchmark;
- Maintain portfolio operating costs at or below annual budget established by Trustees;
- Exceed investment return of peer pension plans; and
- Maintain an information ratio greater than median peer pension plan.

VI. Voting of Proxies

All proxies shall be voted solely in the interest of plan participants and beneficiaries as outlined in the Trust's Proxy Voting Policy Statement.

VII. Periodic Review and Amendment

The Trustees will review these Investment Guidelines on a regular basis. Any material changes approved by the Trustees will be communicated to the investment managers.

Revised, approved and adopted by the undersigned Trustees at Washington, D.C. on March 11, 2008.

APPENDIX C

MEMORANDUM OF UNDERSTANDING

Budgetary, Accounting and Financial Reporting Responsibilities Respecting Assets Held by the National Railroad Retirement Investment Trust

The Railroad Retirement Board (RRB), the National Railroad Retirement Investment Trust (the Investment Trust), the Department of the Treasury (Treasury), and the Office of Management and Budget (OMB) (collectively, the Parties), agree on the following budgetary, accounting and financial reporting responsibilities respecting assets transferred to and from, and held by, the Investment Trust for RRB.

1.0 General

The Parties agree that, (i) while the Railroad Retirement and Survivors' Improvement Act of 2001 (P.L. 107-90) (the Act) provides that the Investment Trust is not a department, agency, or instrumentality of the Federal Government, the cash and investments held by the Investment Trust for RRB are nevertheless assets of the Federal Government and must be accounted for and reported as such; (ii) the Act provides that the Investment Trust is not subject to the requirements of Title 31 of the U.S. Code (including apportionment); and (iii) the annual audit of the Investment Trust required by the Act shall be prepared in accordance with Generally Accepted Accounting Principles (GAAP).

2.0 Fiscal Year of the Investment Trust

The Investment Trust will use the same fiscal year as the Federal Government. Currently, the Federal Government's fiscal year begins on October 1 and ends on September 30 of the following calendar year.

3.0 Account Structure

The transactions of the Investment Trust shall be reported using a separate trust fund account symbol, with RRB being the program agency for that account. The following Treasury Fund Account Symbols have been reserved to report this activity:

60 X8 118	National Railroad Retirement Investment Trust
60 X8 118.1	Gains and losses on non-Federal securities, National Railroad
	Retirement Investment Trust
60X8118.2	Earnings on investments in Federal securities, National Railroad
	Retirement Investment Trust
60X8118.3	Interest and dividends on non-Federal securities, National Railroad
	Retirement Investment Trust
50X8118.4	Payment from the Railroad Retirement Account, National Railroad
	Retirement Investment Trust

60X8118.5	Payment from the Social Security Equivalent Benefit Account, National
	Railroad Retirement Investment Trust
60 X 8118.6	Payment from the Railroad Retirement Supplemental Account, National
	Railroad Retirement Investment Trust

Federal securities are securities issued by the Treasury and securities issued by a Federal agency. Non-Federal securities include all permitted investments, excluding Federal securities. For purposes of this memorandum, securities that are guaranteed by Federal agencies are considered to be non-Federal securities.

Treasury's Financial Management Service (FMS) has established the accounts described above (with the designation account symbol of 60X8118) in FMS's central accounting and financial reporting system. Using this new account number, Treasury's Bureau of the Public Debt (BPD) will establish a separate investment account within BPD's investment accounting system for Investment Trust activity. This separate account will be reflected in separate line items on both the Monthly Treasury Statement and the Monthly Statement of the Public Debt for the activity of the Investment Trust.

4.0 Accounting Treatment of Non-Federal Security Purchases and Sales by the Investment Trust

Purchases and sales of non-Federal securities (other than gains and losses) by the Investment Trust will be treated as a means of financing, as required by section 105(c) of the Act.

5.0 Receipts to the Railroad Retirement System

Treasury's Internal Revenue Service will continue to collect and deposit receipts from the railroad industry for funding of the Railroad Retirement System. Nothing in this memorandum is to be construed as altering that arrangement. Receipts will initially be credited to the Railroad Retirement Account (RRA) or the Social Security Equivalent Benefit Account (SSEBA), as appropriate. RRB shall continue to account for these receipts, in accordance with Treasury guidance issued from time to time.

5.1 Investment in the RRA and the SSEBA

The receipts credited to the RRA and the SSEBA will be automatically invested by BPD in par-value Treasury special securities maturing on the first business day of the following month unless RRB provides specific instructions to do otherwise. Proceeds from maturing securities in the RRA and the SSEBA will be automatically re-invested by BPD in par-value Treasury special securities maturing on the first business day of the following month unless RRB provides specific instructions to do otherwise.

5.2 Receipts of the Investment Trust

Receipts of the Investment Trust will be recorded in the following sub-accounts:

- Gains and losses on non-Federal securities (60X8118.1);
- Earnings on investments in Federal securities (60X8118.2);
- Interest and dividends on non-Federal securities (60X8118.3);
- Payment from the Railroad Retirement Account (60X8118.4);
- Payment from the Social Security Equivalent Benefit Account (60X8118.5); and,
- Payment from the Railroad Retirement Supplemental Account (60X8118.6).

6.0 Transfers of Assets from RRB to the Investment Trust

Subject to the Act and this Memorandum of Understanding, RRB shall determine the timing and the amount of transfers of assets from the RRA, SSEBA, and the Railroad Retirement Supplemental Account (RRSA) to the Investment Trust.

6.1.1 Cash Transfers

RRB shall direct Treasury to transfer cash from the RRA, SSEBA, and RRSA to the Investment Trust. RRB has provided Treasury's Office of Cash and Debt Management (OCDM) with an initial schedule of expected transfers for a period of six months (September 2002 through February 2003). RRB shall provide OCDM with updates to the initial schedule if there are any changes to the dates and amounts of the expected transfers. If it is determined that the transfers will extend beyond the initial six-month schedule, RRB shall provide a revised schedule to cover periods not included on the original schedule (i.e. beyond February 2003) as soon as it is known that transfers will extend beyond this period.

If the need arises for RRB to make transfers from the Investment Trust to the RRA to fund Treasury-disbursed payments, RRB shall provide OCDM with the anticipated amount(s) to be transferred between the Investment Trust and the RRA.

These updates to the initial schedule of cash transfers and notices of transfers from the Investment Trust to RRB shall be pursuant to the business rules contained in Section 6.1.2. All updated schedules and notices shall be delivered in writing to:

David J. Monroe Director, Office of Cash and Debt Management Department of the Treasury 1500 Pennsylvania Ave, NW Washington, DC 20220 Fax Number – (202) 622-4775

6.1.2 Notice for Specific Cash Transfers

Below are the business rules for providing advance notification to Treasury for daily cash management purposes. For each specific transfer of cash projected in the schedule provided in section 6.1.1, RRB shall provide:

- fifteen (15) business days advance written notification for amounts greater than \$2 billion,
- five (5) business days advance written notification for amounts between \$500 million and \$2 billion,
- two (2) business days advance notification of amounts between \$50 million and \$500 million, and
- transfers of less than \$50 million do not require advance notification.

(See Attachment A for the procedures to transfer cash assets to the Investment Trust. Additional guidance on the reporting of large dollar transfers is provided in the Treasury Financial Manual, Volume 1, Part 6, Section 8500 (<u>http://www.fms.treas.gov/tfm/vol1/v1p6c850.txt.</u>).)

6.2 Transfers of Securities

Subject to the Act, RRB may request Treasury to transfer certain Treasury securities to the Investment Trust. Only securities held by RRB on the date of enactment of the Act (i.e. on December 21, 2001) are eligible to be transferred. RRB shall identify to BPD any specific securities to be transferred to the Investment Trust. Notification shall be signed by the contact for RRB account on file with BPD, and shall be delivered prior to 3:00 p.m. (Eastern Time) in writing to:

Susan Chapman Director, Division of Federal Investments Office of Public Debt Accounting Bureau of the Public Debt P.O. Box 1328 Parkersburg, WV 26106 Phone Number (304) 480-5111 Fax Number (304) 480-5212

BPD will transfer these securities to the Investment Trust by changing the account in which the securities are held in BPD's investment accounting system from the Railroad Retirement Account, 60X8011, to the Investment Trust account, 60X8118. No transaction activity (redemption or investment) will result from the transfer; however, RRB must report the transfer of the securities between the accounts to FMS. The securities will be maintained in non-marketable, book-entry form.

(See Attachment B for the procedures to transfer Treasury securities currently held by RRB to the Investment Trust.)

6.3 Accounting Treatment for Assets Held by the Investment Trust

RRB will record all cash and investments held by the Investment Trust for RRB as Federal funds held outside of Treasury.

7.0 Reporting Requirements

7.1 Annual Report

Section 105(a)(3)(E) of the Act requires the Investment Trust to submit an annual management report to Congress no later than 180 days after the end of the Investment Trust's fiscal year, and to provide a copy of the management report to the President, RRB, and OMB when it is submitted to Congress.

7.2 Monthly Reporting Requirements

As RRB continues to be responsible for the overall management of the Railroad Retirement System, RRB will be responsible for all budgetary and proprietary reporting of the Investment Trust's transactions, and for reporting to Treasury the amount of cash and the value of investments held by the Investment Trust. Treasury and OMB have developed specialized reporting requirements to handle the complexity added by the use of the Investment Trust to manage the Railroad Retirement System's assets and the disbursing agent to pay pension benefits.

- RRB is required to report all payments to and from the Investment Trust and the RRA, SSEBA, and RRSA on a monthly basis for the month in which the payment occurred.
- The Investment Trust may report on a one month delayed basis to RRB, which in turn will report the information to Treasury on a monthly basis. However, the Investment Trust will work towards improving the timeliness of its reporting, so that the transactions are reported as of the end of the month in which they occurred, consistent with all other Federal reporting.

7.2.1 Monthly Reporting by RRB on the RRA and the SSEBA

Nothing in this memorandum is to be construed as altering RRB's current requirements for monthly financial reporting of activity in the RRA and the SSEBA.

Transfers from the RRA and the SSEBA to the Investment Trust account will be reported as outlays of those accounts and as offsetting receipts of the Investment Trust account. Transfers from the Investment Trust account to the RRA will be reported as outlays of the Investment Trust account and as offsetting receipts of the RRA.

7.2.2 Timing of Monthly Reports by the Investment Trust to RRB

The Investment Trust shall report the information described in sections 7.2.3, 7.2.4, and 7.2.5 on a monthly basis to RRB. Except when Treasury, OMB, RRB and the Investment Trust agree to an alternative reporting schedule, this means that the Investment Trust may report each month's transactions no later than the third workday day of the second month after the transactions have occurred. (Beginning January 2003, the Investment Trust may report no later than the second workday of the second month.)

7.2.3 Required Monthly Information

Except as provided in Section 7.2.4, the Investment Trust shall report the following information to RRB:

- Total market value of non-Federal securities, end of month;
- Total interest earnings on Federal securities;
- Total interest and dividends earned on non-Federal securities;
- Total purchases of non-Federal securities;
- Total sales of non-Federal securities;
- Cash balance, end of month;
- Total purchases (at par) of Federal securities;
- Discounts and premiums on Federal securities at time of purchase
- Total sales (at par) of Federal securities;
- Payments to the disbursing agent;
- Administrative expenses; and,
- Payments received from the RRA, the SSEBA, and the RRSA.

Interest earnings on Federal securities (other than zero coupon bonds) shall include any purchase premiums and/or accrued interest at the time of purchase (as a negative), any periodic interest payments (as a positive), any gains realized from purchase discounts at the time of maturity or sale (as a positive)¹, and any gains or losses on sale. Zero coupon bonds will be valued at market value on a monthly basis. The purchases and sales of all other Federal securities shall be reported at par. (Additional guidance to Federal agencies on reporting for accounts invested in Department of the Treasury securities is provided in the Treasury Financial Manual, Volume 1, Part 2, Chapter 4300 (http://www.fms.treas.gov/tfm/vol1/v1p2c430.pdf). For U.S. Standard General Ledger transactions related to reporting for accounts invested in Department of the Treasury securities at the to reporting for accounts invested in Department of the Treasury securities are gov/tfm/vol1/v1p2c430.pdf).

Interest and dividends earned on non-Federal securities shall be reported on a gross basis. That is, if interest or dividends are reinvested, this shall be reported simultaneously as interest or dividends earned and as purchases of non-Federal securities.

¹ Discounts are reported as a positive in subclass 75 (Unrealized Discount on Investments) at time of purchase. At maturity or sale, the purchase discount is reversed by reporting a negative receipt in subclass 75 and any gain realized from the discount is reported as interest in the 60X8118.2 receipt account as a positive.

RRB shall use the information provided by the Investment Trust to prepare the monthly financial reports for the Investment Trust account (60X8118) and report to Treasury. As long as the Railroad Retirement System payments are disbursed through a FMS Financial Center, RRB shall complete the Statement of Transactions (Form 224) by the fifth workday of the month (the third workday, beginning January 2003). Once the Railroad Retirement System payments are disbursed through a non-Federal disbursing agent, RRB shall complete the Statement of Accountability (Form 1219) and the Statement of Transactions (Form 1220) by the fifth workday of the month. RRB shall use the standard reporting procedures to complete these reports. (Additional guidance to Federal agencies on financial reporting is provided in the Treasury Financial Manual, Volume 1, Part 2. (http://www.fms.treas.gov/tfm/vol1/v1p2c100.html.).) The table in Appendix C provides detailed guidance for reporting each class of anticipated transactions.

7.2.4 Monthly Valuation of Assets Held by the Investment Trust

As mentioned above, RRB shall report the total market value of the portfolio of non-Federal securities held by the Investment Trust to Treasury on a monthly basis. Realized and unrealized gains and losses (net of purchases and sales) on the portfolio of non-Federal securities held by the Investment Trust shall be reported as offsetting receipts. The Investment Trust may report this mark-to-market valuation of the portfolio to RRB on a 30-day delay basis. RRB will calculate gains and losses on non-Federal securities as follows:

Total market value of non-Federal securities, end of the current month

+ Sales of non-Federal securities

- Purchases of non-Federal securities

- Total market value of non-Federal securities, end of previous month

The Parties agree that it would be difficult and expensive to revalue certain classes of non-Federal assets held by the Investment Trust on a monthly basis. Therefore, the Investment Trust shall be required to revalue monthly only assets for which current market quotations are readily available in nationally recognized financial media. The Investment Trust may revalue all other assets on an annual basis (at the end of the fiscal year).

7.2.5 Administrative Expenses

The Investment Trust shall report its direct expenditures for administrative expenses to RRB each month on an aggregate basis. In addition, at least once each year (at the end of the fiscal year) the Investment Trust shall report the amount of administrative expenses incurred by investment management firms that invest on its behalf. To the extent that these firms deduct their administrative expenses from earnings reported to the Investment Trust, the Investment Trust shall report the amount of estimated administrative expenses separately and increase amounts of earnings reported by the same amount.

7.2.6 Certification of Monthly Information

RRB shall certify to Treasury that it has reported the information provided to it by the Investment Trust. RRB's certification will not be construed as certifying to the accuracy of the information provided by the Investment Trust. Ensuring the accuracy of the information provided on a monthly basis is a responsibility of the Investment Trust. However, RRB is responsible for ensuring that the annual information reported to Treasury is consistent with the Investment Trust's audited financial statements subject to differences between the budget and financial reporting in the basis for measurement of transactions. To the extent there are differences for other reasons, RRB will work with the Investment Trust to correct the information reported to Treasury.

7.2.7 Benefit Payments

RRB's reporting of monthly benefit payments is not covered by the one month delay permitted by paragraph 7.2.2 because RRB will have the information necessary to report benefit payments at the end of the month in which the benefits are paid. Under the Act, RRB continues to have the responsibility for determining who is entitled to railroad retirement benefits, the amount of each benefit, and the timing of payments. In addition, RRB will direct the Investment Trust to transfer funds to the disbursing agent sufficient to pay railroad retirement non-SSEB tier 1, tier 2 and supplemental benefits.

7.3 Required Quarterly Reporting

On a quarterly basis, RRB will also be required to complete FACTS II (Federal Agencies' Centralized Trial-Balance System II) reporting based on information provided by the Investment Trust. FACTS II will allow RRB to submit one set of accounting data (mostly budgetary, but some also proprietary) that fulfills the needs of the FMS 2108 Year-End Closing Statement and the SF 133 Report on Budget Execution. The reporting schedule and additional guidance related to FACTS II reporting is provided in the FMS website at http://www.fms.treas.gov/ussgl/factsii/index.html.

7.4 Required Yearly Reporting

RRB shall report the financial information as required in the Treasury Financial Manual, Volume I, Part 2, Chapter 4000 (I TFM 2-4000) Federal Agencies' Centralized Trial-Balance System (FACTS I) to FMS, using Treasury Fund Account Symbol number 60X8118 which will include the information on the activities and balances of the Investment Trust.

8.0 Revision of Reporting Requirements

If necessary, this memorandum will be updated as needed, with consent of the Parties, to reflect changes in reporting requirements published in OMB's Circular No. A-11.

Transfer of Funds from the National Railroad Retirement Investment Trust to Treasury for Disbursing Purposes

Objective	RRB / Trust Action	Treasury Action
Transfers of Funds (Cash) from the Trust to Treasury for Disbursement	Note: These procedures will only be used in the event that funds held by the Trust are required to be transferred back to the Treasury to make benefit payments. Once the non-Federal disbursing agent is in place, funds should not need to be returned to Treasury. RRB advises the Trust that funds should be returned to the Treasury for disbursement of benefit payments.	Through the Fedwire Deposit System, the RRB will be credited with immediately available funds from the wire transfer. (A separate memorandum of understanding covers the disbursement of benefit payments by FMS until a non-Federal disbursing agent is selected.)
	The Trust will liquidate assets and transfer funds, by wire transfer, to the Treasury's account at the New York Federal Reserve Bank to the credit of the RRB.	
	Should it be necessary to transfer amounts in excess of \$50 million from the Investment Trust to the RRB, a large dollar deposit notification would be required to be sent by RRB to:

CONFLICTS OF INTEREST Policy Statement of the National Railroad Retirement Investment Trust

Statement of policy

The policy of the National Railroad Retirement Investment Trust (the "Trust") with respect to conflicts of interest requires that the Trustees and all employees (hereinafter "NRRIT personnel") avoid any conflict or appearance of conflict between their personal interests and the interest of the Trust in dealing with all entities or individuals doing or seeking to do business with the Trust. Underlying these standards is the fundamental proposition that all NRRIT personnel must discharge their duties solely in the interest of the Railroad Retirement Board and through it, the participants and beneficiaries of the programs funded under the Railroad Retirement Act of 1974, as amended.

Personal finances

NRRIT personnel shall not, without the consent of the Board of Trustees, hold or acquire a financial interest in any enterprise which to the knowledge of the individual has any business relationship with the Trust, or is seeking to establish such business relationship. A financial interest shall not include securities in a publicly traded company held directly or indirectly, provided that such interest is less than one percent (1%) of the outstanding shares of such company or debt of such company.

Outside activities

NRRIT personnel shall not hold any position with any other enterprise, the existence of which would conflict or might reasonably be supposed to conflict with the individual's performance of his or her duties or responsibilities to the Trust without full and complete disclosure thereof to the Board of Trustees.

NRRIT personnel shall not negotiate employment with any person or entity that is doing business or seeking to do business with the Trust without full and complete disclosure thereof to the Board of Trustees.

Inside information

NRRIT personnel shall maintain the confidentiality of all information related to deliberations and decisions, including but not limited to investment decisions, of the Trust and shall not use such information for personal profit or allow it to be used for personal profit of others.

Gratuities

NRRIT personnel, or members of their families, shall not accept gifts from any person, firm or corporation doing business or seeking to do business with the Trust, of such a nature or in such a circumstance that a reasonable person could infer that the acceptance of such gifts might unduly influence the individual in the performance of his or her duties. In deciding whether to accept any gift from such person, firm or corporation, NRRIT personnel, or members of their families should exercise proper judgment and as a general rule, should not accept any gift with a fair market value in excess of \$100.

NRRIT personnel, or members of their families may accept entertainment- related services (e.g., food or beverages, invitations to attend a sporting event or participate in a sporting activity) where they are (a) reasonable in scope, (b) are associated with a bona fide business meeting or conference, and (c) are provided to others as a normal part of doing business in the industry or profession.

Notwithstanding the terms of the preceding two paragraphs, NRRIT personnel, or members of their families shall not accept money or any other thing of value in connection with any investment made by or for the Trust, nor shall any such person have any pecuniary interest in such investment.

Disclosure

Whenever an NRRIT personnel becomes aware of a conflict of interest, or has any question as to any activity, interest, or relationship which could be construed as a conflict of interest, such individual shall promptly report the circumstances to the Board of Trustees.

All NRRIT personnel shall annually sign a statement affirming that such person has:

- a. received a copy of this conflict of interest policy,
- b. read and understands this policy, and
- c. agreed to comply with its terms.

As approved and adopted in amended form by the Board of Trustees on July 10, 2003. This Policy Statement was originally approved and adopted by the Board on July 19, 2002.

APPENDIX E

CONFIDENTIALITY Policy Statement of the National Railroad Retirement Investment Trust

Statement of general policy

The Board of Trustees (the "Board") of the National Railroad Retirement Investment Trust (the "Trust") recognizes the sensitivity of all deliberations related to investment decision making, particularly in a Trust of this size and unique statutory structure. As such, the Board has adopted a policy that requires that the Trustees, Trust Advisors, and all Trust employees (hereinafter "NRRIT personnel"), as well as any investment advisor, manager, or custodian retained by the Trust, maintain the confidentiality of all information related to investment deliberations and other operations of the Trust.

The Trustees also recognize their statutory obligation to discharge their duties solely in the interest of the Railroad Retirement Board and through it, the participants and beneficiaries of the programs funded under the Railroad Retirement Act of 1974. As such, the Trust shall respond to any inquiry of the Railroad Retirement Board with respect to investment activities of the Trust, but shall do so in a manner so as to maintain the confidentiality of such information, under such terms and conditions as may be developed by Trust counsel and the General Counsel of the Railroad Retirement Board. Any request for confidential information from any other agency or instrumentality of the Federal Government shall be considered by the Trustees on a case-by-case basis and in consultation with the Railroad Retirement Board.

Confidential information

All information relating to Trust business, including Trustee investment and business deliberations, internal staff deliberations, Board and Committee meeting book materials and meeting minutes, Trust investment plans, manuals and memoranda, internal investment analyses, meeting summaries or notes, and all other similar work papers should be treated as confidential by NRRIT personnel, unless (1) release of such information is required to carry out a direction from the Board, (2) is otherwise authorized by the Board or the Chief Investment Officer, or (3) is included in summary or aggregate form in annual reports that are required pursuant to the Act, or any other applicable Federal law.

Continuing Obligation to Preserve Confidentiality

All confidential information of the Trust is the sole and exclusive property of the Trust, and the obligation to preserve such confidentiality shall continue for former NRRIT personnel after their professional affiliation with the Trust ends.

Annual Affirmation

All NRRIT personnel annually shall sign a statement affirming that such person has:

- a. received a copy of this confidentiality policy,
- b. read and understands this policy, and
- c. agreed to comply with its terms.

Approved by the Board of Trustees on January 27, 2005.

APPENDIX F

NATIONAL RAILROAD RETIREMENT INVESTMENT TRUST PROXY VOTING POLICY

I. PURPOSE

The purpose of the National Railroad Retirement Investment Trust's ("NRRIT" or the "Trust") Proxy Voting Policy is to provide investment managers and the Railroad Retirement Board (the "RRB") with written documentation of the requirements for the voting of proxies for assets held in NRRIT's accounts.

Section 15(j)(5)(A) of the Railroad Retirement Act of 1974 (the "Act"), as amended by NRRIT's enabling legislation, the Railroad Retirement and Survivors' Improvement Act of 2001, sets forth the fiduciary duties of NRRIT's Board of Trustees. Specifically, the Trustees are required to discharge their duties with respect to Trust assets, including the voting of proxies, "solely in the interest" of the RRB, and through it, the participants and beneficiaries of the programs funded through the Trust. Although the Trust is not subject to ERISA, the general prudence standard set forth in the Act is based upon the general fiduciary standards imposed by ERISA.

II. RESPONSIBILITIES OF INVESTMENT MANAGERS

Independent investment managers retained by the Trust pursuant to Section 15(j)(4)(B) of the Act will be fiduciaries of the Trust, and as such they will be required to exercise the same duties of loyalty and care in managing Trust assets. Where the Trust delegates management authority with respect to specified Trust assets to an investment manager, such investment manager will have exclusive authority to vote all proxies related to the Trust securities under its control unless such authority is expressly limited in the investment manager's contract with the Trust. Prudent investment management includes the voting of proxies consistent with the investment manager's own proxy voting guidelines and solely in the interest of the participants and beneficiaries of the Railroad Retirement system.

Each investment manager retained by the Trust will agree to fulfill the following responsibilities:

- A. Each investment manager will be obligated to vote all proxies on securities held by such manager in the Trust's portfolios.
- B. Each investment manager will be expected to carefully examine all proxy issues. The decision with respect to the proxy vote must be made on a case by case basis, prudently and solely in the interest of the participants and beneficiaries of the Railroad Retirement System.
- C. Each investment manager must adopt and implement written policies and procedures that are reasonably designed to ensure that proxies with respect to Trust assets will be voted in the best interest of the participants and beneficiaries of the Railroad Retirement System. The manager must provide to the Trust: (i) a copy of its proxy

voting guidelines, and (ii) a summary of its procedures for recording proxy votes and reporting them to the Trust.

- D. Decisions with respect to proxy voting may not be delegated by the investment manager to another party, except in cases where a clear conflict of interest exists. In such cases, the investment manager must provide prior written notice to the Trust's investment staff of both the conflict of interest and the party to whom voting authority will be delegated.
- E. Each investment manager must accurately record its proxy votes for each Trust security held and the basis for such votes. The votes may be tallied by general category. These records must be made available to the Trust upon its request.
- F. Each investment manager must provide to the Trust on an annual basis:
 - 1) Written certification that all proxies with respect to Trust securities have been voted solely in the interest of the participants and beneficiaries of the Railroad Retirement system;
 - 2) Written certification that neither the officers of the investment management firm nor their personnel have been unduly influenced by outside sources regarding the voting of any proxy;
 - 3) In cases where a conflict of interest has been identified, written certification that adequate measures were taken to ensure that such conflict did not affect any proxy vote and documentation explaining the nature of such conflict; and
 - 4) Adequate documentation to report all proxy votes with respect to Trust securities cast by the investment manager and, for all non-routine matters, the basis for such votes.

III. COORDINATION WITH CUSTODIANS

The investment manager will have the responsibility of ensuring that all proxies with respect to Trust securities are voted, and will coordinate as necessary with the custodians of the Trust's assets to see that this responsibility is carried out.

Should the investment manager not receive proxy solicitation materials on a timely basis from the custodian, which could prevent normal handling of the materials and timely voting from taking place, the investment manager may designate the custodian as its agent to vote the proxy in question. Under these circumstances, the investment manager will not be relieved of its fiduciary responsibility for the voting of proxies; therefore, the investment manager must provide the custodian with specific voting instructions.

IV. RESPONSIBILITIES OF THE TRUST

Consistent with its fiduciary duties as they relate to the voting of proxies, the Trust assumes the following responsibilities:

- A. As part of its due diligence review of prospective investment managers and its ongoing oversight of current managers, the Trust's investment staff will review each investment manager's policies and procedures with respect to proxy voting to ensure that they are in compliance with this Proxy Voting Policy.
- B. Upon receipt of the documentation submitted annually by the investment managers, the Trust's investment staff will review and report to the Board of Trustees regarding each investment manager's proxy voting record with respect to Trust securities.
- C. The Board of Trustees shall annually review the report of the Trust's investment staff with respect to proxy voting of Trust securities.
- D. The Trust reserves the right to modify or rescind the proxy voting authority delegated to an investment manager at any time.

V. DOCUMENTATION

This Proxy Voting Policy will be (i) attached to the Trust's Investment Guidelines, and (ii) incorporated by reference into each investment management agreement entered into by the Trust.
