OFFICE OF THE INTERNATIONAL PRESIDENT

January 5, 2018

To all Local Lodge Recording Secretaries and District Lodge Secretary-Treasurers in the United States and Canada

Dear Brothers and Sisters:

Millennials are the future; research shows that millennials are the driving force behind workplace and advocates for change. As the largest population in the workforce today, millennials have the numbers to influence public policy and change social norms.

The IAM recognizes and values the contribution of our younger workers. We are excited to host two young worker trainings again this year at the Winpisinger Education and Technology Center; May 6th – 11th and September 23th – 28th. These educational sessions will discuss the importance of young men and women in labor and the workplace; growing the union through involving young workers of diverse genders and ethnicities in establishing committees that support the community and the current membership; and preparing leadership pathways for young workers, as they are the future of the labor movement.

Enclosed is the training enrollment form. All information must be provided, as incomplete forms will not be processed. Please ensure forms are submitted by the date noted on the registration form. Completed forms should be returned to the following:
