

Workers' Memorial Day

April 28th, 2018

MOURN for the Dead, FIGHT for the Living!

On Monday, April 30th, we will toll a bell in honor of our lost members whose lives were ended due to occupational related injuries or illnesses and special recognition to those that have advocated for our members in some way.

In remembrance of those who lost their lives, there will be a short service at the Lighthouse Monument located in the Workers' Memorial Park. The memorial park is located at the far end of the wing closest to the main street. The program will start **PROMPTLY at 11:00 am**, all class participants and family members are invited.
