Subject: IAM Young Worker's Strategy Program – September 22, 2019 – September 27, 2019

To: All Recording Secretaries of Local Lodges and Secretary-Treasurers of District Lodges in North America

Dear Brothers and Sisters:

The millennial generation represents one third (35% US; 37% Canada) of the labor force, but less than 15% of union membership. As the largest population in the workforce today, millennials have the numbers to influence public policy, change social norms and determine the future of unions.

However, acknowledging the size, industry and societal impact of the millennial generation is not enough. The IAM must act now by recruiting this generation into decision making processes, and grooming them into future leaders.

The Young Workers Department has crafted a comprehensive young worker training program that focuses on young men and women in labor and the workplace, and on preparing them for leadership roles within the union. **The Young Workers Program will be held September 22 – 27, 2019.**

Enclosed is the training enrollment form. Space is limited and filled on a first come-first served basis. All information must be provided. Incomplete forms will not be processed. **Completed forms should be returned by July 26, 2019 to:**
