CONTEST RULES

Eligibility

All official membership publications created by IAM local or district lodges in good standing dated January 2021 through December 2021 are eligible.

Entry Deadline

All entries must be received by the IAM Communications Department by Friday, May 27, 2022. We cannot return submissions.

Newsletter

General Excellence

Two consecutive issues of your lodge's publication will be judged on overall effectiveness. Judges will consider content, appearance, consistency, effective writing and editing. Please use the appropriate Newsletter Entry Form, submit one newsletter per entry form and include six copies of your newsletter (3 copies of 2 consecutive issues) for each entry form.

Best Layout & Design

Publications will be judged on overall appearance, adherence to standards of readability and impact. Regardless of the format of your publication (tabloid, newsletter size, professionally printed or copied in-house), graphics play an important role in effectiveness. Please use the appropriate Newsletter Entry Form, submit one newsletter per entry form and include six copies of your newsletter (3 copies of 2 consecutive issues) for each entry form.

Best Feature

In this classification, "feature" is broadly defined to include anything outside of the routine news reporting. It can include an investigative report, a regular one-on-one interview, a special report or a series of reports, humor, satire, editorial cartoon (original, not syndicated or "lifted" from another publication), a photo essay, etc. If a feature series is being submitted, please include three copies of a complete set. Be sure to use the appropriate Newsletter Entry Form.

Websites

General Excellence

This category is for the Lodge's official website only. It will be judged on overall effectiveness, technical expertise, appearance, and content. Please include the website address and use the appropriate Website Entry Form.

Best Layout & Design

This category is for the Lodge's official website only. Judges will rate the site on overall layout and design and how well the message of trade unionism is presented. Please include the website address and use the Website Entry Form.

Social Media

Best use of Social Media, smartphone app or specialty website for District or Local Lodge membership information and/or organizing. Criteria will focus on effectiveness and engagement within the social media component. This category is for Lodges that create sites other than their official website, such as an official Lodge Facebook or Twitter social media site or a special site for organizing that conforms to the Web Policy Guidelines in Official Circular No. 851. Sites will be judged on appearance and effective messaging for trade unionism. Please include the website address and use the Social Media Website Entry Form.
