Sisters, brothers, and siblings,

I am writing to encourage your local lodge to take advantage of training opportunities at the Winpisinger Center in 2023. The full calendar of leadership, departmental, and staff programs occurring at the Center and online in 2023 is [here](#). Remember that our registration forms are now online. You can enroll members in leadership programs [here](#) and in departmental programs [here](#).

With the continued advancement of COVID vaccines and therapeutics reducing the risk of serious illness, hospitalization, and death, we have removed the vaccination requirement. ***Provided that current conditions do not substantially change, proof of vaccination is no longer required from members or guests as of December 1, 2022.*** Our complete list of COVID protocols can be found on the Winpisinger Center website [in the FAQ section](#).

One particular program which I hope your lodge will participate in is the IAM's first Educators Conference which will take place at the Winpisinger Center March 26-31. We expect lodge educators, officers, and activists from all over our union to participate in this conference to share ideas, materials, and techniques to improve and advance education and training throughout our union. You can register members for the IAM Educators Conference [here](#).

Finally, please do not hesitate to contact me if you have other training issues or needs in your lodge. In addition to the full slate of programs at the Winpisinger Center, we can provide online and field training in a variety of subjects.

The IAM is stronger with an educated membership that can lead the changing workplace, advocate for fellow members, and stand up to unfair bosses and company practices. We hope to see you in 2023.

In solidarity,

Mary McHugh

Re: **2023 EAP I, II, III, and IV Program**
Schedule and Enrollment

To: Directing Business Reps, Local Lodge Presidents, and Local Lodge Recording Secretaries
at Lodges in the United States and Canada, and TCU-IAM

Dear Sisters, Brothers, and Siblings:

This is the call for the **EAP I, II, III, and IV Program** to be held at the William W. Winpisinger Education and Technology Center in Hollywood, Maryland, on the dates listed below. Offered by the Retirees and Membership Services Department, this course equips IAM-EAP representatives with skills and resources to assist members who are seeking help for personal problems involving addictions and psycho-social issues such as:

Addiction	Excessive Absenteeism	Presenteeism
Alcoholism	Violence	Suicide Prevention
Excessive Debt	Depression	Mental Health First Aid
Acute Stress Disorder	Gambling Addiction	Emerging Issues

The curriculum takes members from an introduction into the field to prospective certification. This is a valuable program that is fully recognized at the college level, in the work place, in the employee assistance community, and throughout the IAM. All eligible Machinists are encouraged to participate.

Participants attending in-person programs at the Winpisinger Center are no longer required to provide proof of vaccination as of December 1, 2022. Because COVID-19 case numbers are still high in certain areas and vaccines are no longer required, masking may be required in all public places for all participants, guests, and employees at the Winpisinger Center. Any masking requirement is reviewed weekly and participants will be notified in advance if masks will be required while they are at the W3 Center. We will follow CDC guidelines regarding isolation if participants are symptomatic or test positive for COVID-19 while attending programs. Our complete list of COVID-19 protocols can be found in the [FAQ section](#) of our website.

Program dates and registration deadlines are listed below. If you have any questions about this program, please contact the Retirees and Membership Services Department at (301) 967-4500.

POLICY NO. XI.1

**William W. Winpisinger Education

Transportation Subsidy and
Curriculum**

ISSUED: September 14, 2015

The IAM will pay full transportation costs under certain conditions for all participants selected to attend any IAM sponsored function at Winpisinger Center. These conditions are as follows:

1. The name(s) of participants attending any function must be in the Winpisinger Center Administrative Office a minimum of eight (8) weeks prior to the starting date of the function.
2. All transportation (air or rail) will be handled for the participant by Grand Lodge's designated agent, Metropolitan Travel Services, based on information provided by the member. 21-day Super Saver air or rail tickets will be purchased for each participant selected to attend a program upon the completion of a Travel Request Form.
3. If there is a cancellation of attendance once a non-refundable ticket has been purchased for any reason other than a doctor's excuse due to illness or death of the participant or a member of their family; the cost of the ticket will be billed to the local or district lodge sending the participant once the ticket expires. If the ticket is used at another time to attend a William W. Winpisinger function the local or district sending the participant will be charged any change fees or costs associated with the use of the ticket. This also applies to Business Representatives or General Chairpersons.
4. If a ticket is purchased after the 21-day Super Saver Fare deadline, any difference in the super saver round trip ticket and actual cost of the ticket will be the responsibility of the participant or lodge sending the participant.
5. Participants from air transportation lodges are requested to travel by employer furnished passes. Should the employer refuse to supply positive space passes; participants should contact their district for assistance.
6. No reimbursement will be made for tickets purchased by the member or their local or district lodge.

7. Should a participant be required to spend a night while traveling to or from the Winpisinger Center, the cost of such accommodations will not be reimbursed by Grand Lodge.
8. Taxis, rental cars, limousines, buses, subways, parking, etc. will not be reimbursed by Grand Lodge.
9. Grand Lodge will bear no travel costs for any dependents.
10. Should a participant elect to drive their own vehicle, they will be reimbursed at the IRS Standard Rate per mile up to a maximum of 1,600 miles round trip or the equivalent of a round trip super saver air fare, whichever is less. Distance will be determined by the member's home address to Hollywood, Maryland.
11. If space permits, carpooling is strongly encouraged when multiple participants from the same local or district lodge are driving. When carpooling, the reimbursement amount will be determined in a manner consistent with Item # 10 above.

Every IAM member attending any function at Winpisinger Center, when the IAM is the primary sponsor, will attend at no charge for his or her room, meals and refreshments.

Depending on space availability, a participant enrolled in a program may bring his or her family for a minimal charge. The family is restricted to the participant's, spouse or partner, and their children who are living at home. Children under the age of 17 must have adult supervision at all times.

Consistent with the requirements of the curriculum, programs will not exceed five days whenever possible, beginning on Sunday and ending the following Friday.

Recruitment for the Leadership Programs will be according to the Official Announcement Packet for the Machinists Leadership and Train-the-Trainer Programs.

Applicants for the Leadership Programs will be enrolled on a first come, first served basis, and will be based upon the allotments allowed for the number of participants in the specific lodge and / or the General Vice President's territory.

If a lodge applies to send a member for Leadership I, II, Advanced or Train-the-Trainer and all the programs have been filled, that member will be placed on a waiting list by date received for that year. All potential participants remaining on the waiting list at the end of the year will be given first choice of dates for the following year, but must resubmit an enrollment form in a timely manner.

Assignment to staff programs will be on the basis of need and will be assigned by their General Vice President.
