OFFICE OF THE INTERNATIONAL PRESIDENT

July 19, 2024

Dear Senator:

On behalf of the 600,000 active and retired members of the International Association of Machinists and Aerospace Workers (IAM), I write today to **urge your support to confirm President Biden's re-nomination of Lauren McFerran to the National Labor Relations Board (NLRB).**

As you know, the NLRB is a very important federal agency tasked with deciding whether unions or employers have violated the National Labor Relations Act (NLRA), the principal labor law covering private-sector workers' rights. The agency's decision-making body needs to remain fully staffed to meet the demands of our nation's workforce.

McFerran has proven time and time again she works hard to ensure the NLRB protects workers through her extensive background of working for the betterment of our nation's workforce. This includes several former jobs, including previously serving as Chief Labor Counsel for the Senate Committee on Health, Education, Labor, and Pensions (HELP Committee).

Again – I urge strong support to confirm McFerran for another term on the NLRB.

If you have any questions, please contact IAM National Legislative and Political Director Hasan Solomon at 301-967-4575 or hsolomon@iamaw.org.

Sincerely,

Brian Bryant
IAM International President
