Dear Senate President Scutari and Assembly Speaker Coughlin:

Please Post A-4380 / S-3309 for Committee Hearings The Motor Vehicle Open Recall Notice and Fair Compensation Act

The New Jersey State AFL-CIO thanks you for being the prime sponsors of this legislation and respectfully asks you to have the bill posted in their respective committees (Senate Transportation and Assembly Consumer Affairs) as soon as possible.

As you know, if enacted, this bill would benefit car dealership mechanics by ensuring they receive the same wage for warranty repair services as they do for all other repair services. Our affiliated union, the International Association of Machinists and Aerospace Workers (IAMAW), represents hundreds of these workers and ensuring they are properly compensated is essential.

Thank you for your consideration of our request and we look forward to working with you on this important piece of legislation.

Sincerely,

Charles Wowkanech
President
