UNION

The IAM Union invites you to join our labor and civil-rights allies in Baltimore from Jan. 15-18, 2026 for the 2026 AFL-CIO Dr. Martin Luther King Jr. Civil & Human Rights Conference.

This year's theme, "Honoring Our History – Fighting for Our Future," highlights the urgency of bridging our rich past with the fight that lies ahead. It speaks to how the labor movement and civil-rights movement are inextricably linked, and how we must listen to history to chart our future.

Participants will engage in timely discussions, workshops and breakout sessions. Whether you're a rank-and-file member or a union leader, this is an opportunity to sharpen skills, build alliances, and leave ready to drive change.

- Unite labor and civil rights voices
- Strengthen solidarity across movements
- Honor Dr. King's enduring legacy
